CLARIFICATIONS ITB Ref. No: 2266

SUPPLY AND DELIVERY OF LONG SHELF LIFE PREPACKED FOOD ITEMS

1. Could we offer canned tuna fish and sardines in spore oil instead of olive oil? **No.**
2. Instead of pasta No. 5, could it be possible to offer No. 6? **Yes**
3. Could we offer canned tomato paste in aluminum pack or paper pack? **In tin can with easy opening**
4. As for the cardboard boxes, it is not safe to stack them 6 m – high, due to their weight. The boxes can be safely stacked in approximately 2m –high. Is that an option? **The boxes must be made of that appropriate material capable of withstanding 6m-high stacking for more than 48 hrs and 10 handlings**
5. Could the chickpeas be in a red sause, or only water? **Chickpeas in water**
6. Should Annex D (**VENDORS INFORMATION SHEET (VIS)**) and all the documents of the check list be included in our offer **If an accredited IOM Vendor, no need to submit these documents**
7. Should our offer include Annex E and Annex F signed? **No need to submit these documents.**
8. For all the canned items please clarify if the grams stated in ANNEX C refer to
 - a) the tin can weight or
 - b) the content net weight or
 - c) the content drained weight**Gross weight**
