Provision of Accommodation Services for Unaccompanied Minor Children in the Region of Attica and Central Macedonia

ITB: 3125b /22.02.2018

1. In which date the hotel will start accommodating the unaccompanied minors?
IOM cannot provide a solid date concerning the start of the partnership at the moment, we will be able to provide a more safe prediction once the evaluation of the proposal is completed
2. In order to renew the contract for an other two months period, both parts must agree, or it is possible IOM to extend the accommodation by their side only?
Any possible extension will be mutual agreed by the parties. In case any Bidder, is presently aware, that will not be able to continue the partnership in case of extension should state so in the proposal.
