Clarifications No 2

Long Term Agreement for the supply and delivery of Long Shelf Life Prepacked Food Items

ITB: 3130 /10.01.2018

Question 1:

Should our offer include Annex D (**VENDORS INFORMATION SHEET (VIS)**) and all the documents of the check list?

According article 4 in the GIS “The Supplier shall fill up and submit the standard IOM Vendor Information Sheet (VIS) (Annex D) to establish their eligibility together with the Quotation.” The Supplier should include in his quotation all requested documents.

Question 2:

What is required at point 9.4, h) of the “Request for Quotations (RFQ) and general instruction to suppliers (GIS)” (:*Certification that Non-performance of contract did not occur within the last 3 years prior to application for evaluation based on all information on fully settled disputes or litigation*) and to which certificate you refer?

You may submit a Solemn Declaration stating/certifying that you did not default on any contract entered by your company the last three years.

Question 3:

We would like a confirmation that along with our quotation documents, we will submit as a sample a food basket with all the items in the requested quantities?

According article 1 in the GIS “The Supplier should submit along with the quotation documents, a food basket with all the items in the requested quantities in order for IOM to further examine its appropriateness.”
