Παρακαλώ όπως μας διευκρινίσετε αν επιτρέπεται η υποβολή στοιχείων όπως προφίλ, μενού, τεχνικά στοιχεία του έργου στην Ελληνική γλώσσα αντί της Αγγλικής.

Unfortunately as per 5.2 of the RFP the proposal should be in English

“The Proposal, and all related correspondence exchanged by the Service Providers and IOM, shall be in English. All reports prepared by the contracted Service Provider shall be in English “ Only some Certificates and Governmental Documents can be in Greek.

In order not only to achieve better understanding of the RFQ but also offer better services to your highly respected humanitarian organization please be so kind as to clarify us also the IOMs' state on the issue below:

We refer to ITB: 3455 /05.04.2018. One of ITB documents is “VENDOR INFORMATION SHEET” (VIS). Are we obliged to fill in this form as we have already done so by participating in other competitions of IOM?

Please note that you will need to submit again the VIS, despite the fact you have provided it in the past.

In order not only to achieve better understanding of the RFQ but also offer better services to your highly respected humanitarian organization please be so kind as to clarify us also the IOMs' state on the issue below.

On ITB: 3455 /05.04.2018, on “VENDOR INFORMATION SHEET” (VIS) you refer “...Alternative Bidders can submit an **affidavit stating** that will provide the Public Liability Insurance within 5 days after they have been officially informed that)...” and “...**Affidavit stating** that all facilities (slaughtering, standardization, distribution of products) are certified and licensed and have developed and are implementing food safety management system

according to 22000:2005 (HACCP) principles and applicable law...". This stating is as a simple solemn declaration or something else ?

Yes it is a solemn declaration
