Bid Bulletin No 3
SUPPLY AND DELIVERY OF
Bunk Beds and Mattresses
ITB 4200365199

Q: For LOT 2 MATTRESSES. Is it acceptable the mattresses to be delivered flatpack – not in packed in rolls?

A: Yes

Q: Could you kindly advise if this is possible to consolidate the deliveries in one or a few different locations in Greece only in order to optimise transport costs and efficiency?

A: The delivery should be done to all the sites mentioned at the Bidding Documents

Q: Please verify that in the fields [Gross weight] and [Total volume] of FORM H: PRICE SCHEDULE we should enter the gross weight and total volume of one mattress. Since the delivery will be done separately in several locations (as specified in Section 5, pages 18-19), it doesn't make sense to provide the total gross weight and volume for all 15000 mattresses.

A: Please provide the total gross weight and volume as it was a complete delivery.

Q: Please verify that we should not enter any values in the fields [Containers], [number], [size], of FORM H: PRICE SCHEDULE. As specified above it seems that it is not applicable since the delivery will be done in different locations.

A: You do not have to fill out these cells.

Q: Is it correct that we understood?

Bid Security - '2% of total bid amount'

Performance Security - 'Required in the amount of 10% of the contract value'

A: Yes

Q: Can I ask the amount of Guarantee for ADVANCE PAYMENT SECURITY?

A: You are allowed to request advance payment up to a maximum of 10% of contract value. The Bank Guarantee amount should be equal to the amount of the requested advance payment.
