

Athens, April 3rd 2024

Bid Bulletin No. 3
Reference No.: CEI-GR10-2024

Call for Expression of Interest for the identification of an Implementing partner who will identify and operate supervised apartments where beneficiaries will be Accommodated for the Helios Junior project

Question:

Q: As indicated, 2% of the total apartments should be accessible for persons with disabilities. Can you please confirm whether this 2% limit refers to the number of apartments or the total available accommodation places? How the 2% limit will be calculated if an Implementing Partner applies, for example for 20 or less apartments?

A: The rate is 2% on the number of apartments available at any given time, and not on the accommodation places. In case there are fewer than 50 apartments, the Implementation Partner will have to have at least 1 apartment accessible to people with disabilities. In cases where there are more than 50 apartments, the number of apartments that are required to be accessible to people with disabilities is 2% of the total number of apartments, rounded to the nearest whole number.
