Through this action, IOM is aiming at ensuring dignified and harmonized reception conditions for migrants including asylum seekers and beneficiaries of international protection in Greece through Site Management Support, Protection assistance and Non Formal Education services. Together with UNICEF and other partners such as Danish Refugee Council Greece (DRC Greece), Arbeiter Samariter Bund (ASB), ARSIS, Greek Council for Refugees (GCR), and METAdrasi, IOM daily supports the Greek Government in the management of all long term accommodation sites in mainland Greece. The project is funded and implemented in coordination with the Directorate General Migration and Home Affairs of the European Commission (DG HOME).

The site lies 7.7 km way from the city of Volos, which is the nearest urban center. The site is connected with the city by a bus service, provided by DRC due to the lack of public transportation options near the LTAS. Volos city is also connected with Athens through the intercity bus (KTEL). The General Hospital of Volos is located 10 km from the LTAS.
