

International Organization for Migration (IOM)
The UN Migration Agency

Date. 15/04/2021

Bid Bulletin No 1
Supply and delivery of Medical Breathing and
Respiratory equipment
IFB No: 2021/MED/05/BR

Question 1:

- (i) Are we allowed to propose multiple options to one product, as multiple models could meet the technical specifications
- (ii) Would it be possible to move the closing date to 27/04/2021 for all the tenders, as it would provide us with sufficient time to submit fully compliant bids with courier service and also to furnish the required bid bonds with our bank
- (iii) Alternatively also let us know if there is any intention to allow bid submission via e-mail and only bid bond submission in hand / via courier

Answer 1:

(i) Interested bidders may only submit one quotation. If an interested bidder submits or participates in more than one quotation such quotation shall be disqualified. Kindly check Addendum No.1 which has been issued for this purpose.

(ii) In order to allow prospective bidders reasonable time in which to take the amendment into account in preparing their bidders, IOM is extending the deadline for the submission of bids. Kindly check the Extension for Submission of Bids which has been issued for this purpose.

(iii) As per Bidding Documents, Bids must be received by IOM at the address specified under ITB Clause 19.2.

Question 2:

Since there is a great number (19) of different kind products required to be offered, please let us know if we are allowed to offer some of the requested products or we are obliged to offer all the nineteen (19) products otherwise our offer would be rejected?

Answer 2:

Interested bidders should submit quotation for the total required quantities as per tender requirements and for all required items (No.1 to No.19) as per Bidding Documents. The selective/partial bidding is not allowed. However, Bidders may participate as members of a joint venture of two or more firms as partners. Kindly check Addendum No.1 which has been issued for this purpose.
